Tarikere	... 1,450	1,412

III. The following Government Orders were read and recorded :—

(1) Government Order No. 12000-12—L. B. (364-04)-2, dated 29th June 1905, requesting the Presidents of District Boards to arrange for the purchase of copies of "Notes on Ancient Sanitation in the Light of Modern Science" by Col. W. G. King, Sanitary Commissioner of Madras, from Mr. L. Ananthier, Manager of the *Arya*, Madras, and to distribute the same among subordinate officers.

(2) Government Proceedings No. 812-20—L. B. (128-04)-8, dated 19th July 1905, confirming the provisional rates fixed for the levy of house-tax in the Village Unions of the Province.

(3) Government Notification No. 2455—L. B. (109-05)-4, dated 1st September 1905, appointing Mr. Hugh Watson, Manager of the Chikmagalur Planters' Supply Company, as a member of the District Board, in place of Mr. C. H. Godfrey, who resigned his seat on the Board.

IV. Read docket No. 653, dated 1st August 1905, from the Secretary to the Government, Muzrai Department, requesting to take necessary action *in re* Subject No. 570 of the Dasara Representative Assembly Proceedings of 1904, requesting that the Annachattram at Tarikere or Benkipur may be transferred to Koppa.

The District Board is of opinion that a rest-house is necessary to accommodate persons that come to Koppa to transact business in the Taluk Cutcherry, and as no funds are available, the Government may be requested to sanction the construction of a rest-house for the purpose from the Provincial Funds.

V. Read Kadur Division Executive Engineer's docket No. 207, dated the 2nd August 1905, forwarding a plan and estimate for Rs. 486 for widening the bund of Hirekatur Doddakere tank Registered No. 1127 of the Tarikere Taluk.

As the bund was originally broad enough for carts to pass and as the Public Works Department at the time of restoration reduced the width to six feet, the raiyats of this village and surrounding villages have been prevented from taking the carts on the bund, and as no other road is available, they prayed for the widening of this bund. The Board is of opinion that as the villagers had the right of way over the bund before the tank was repaired, this work should be carried out by the Public Works Department from the Provincial Funds, and the Chief Engineer addressed accordingly.

VI. Read Secretary's docket No. 1388—L. B. (71-05)-1, dated the 8th August 1905, forwarding the representation brought forward at the Representative Assembly of 1904, that a musafirkhana may be erected on Bababuden Hills for the many Hindus that visit the Dattatreya Peeta there, and directing to report about the want of it.

Resolved that the Government be addressed to provide funds from the Muzrai Department as people that visit the place are mostly pilgrims.

VII. Read Secretary's docket No. 1386—L. B. (69-15)-1, dated the 8th August 1905, forwarding for the consideration of the District Board, the representation brought forward at the Representative Assembly of 1904, that a Hindu musafirkhana may be constructed at Solleybyle, Koppa Taluk. Read also Koppa Amildar's report No. 63, dated 26th August 1905, stating that a musafirkhana at Sollebyle is absolutely necessary.

The Board is of opinion that a musafirkhana is absolutely necessary and that Government be addressed to sanction the work from Provincial Funds as per Government Order No. 10705—L. F. 260-96, dated 3rd March 1898.

VIII. Read Secretary's docket No. 2216—L. B. (109-05)-3, dated the 31st August 1905, enquiring if it is not convenient to appoint the Assistant Commissioner in charge of the District Treasury as the Vice-President of the District Board, as this officer will always remain at head-quarters.

The Board elects under the circumstances the Treasury Assistant Commissioner to be the Vice-President.

IX. Read Secretary's docket No. G. 1239—G. R. (2-05)-38, dated the 4th September 1905, forwarding copy of docket No. G. 665, dated the 1st August 1905, addressed to the Chief Engineer, Mysore, and a copy of his reply No. 5645, dated the 26th August 1905, in the matter of the extension of the Bababuden Hill road towards Pandravalli, and requesting to place the matter before the District Board and to communicate their views to Government.

As the extension of the Bababuden Hill road from below Sithalianagiri to join Muthodi on the Chikmagalur-Yedahalli road, will open out several native coffee estates in the Jagar valley, it was resolved to address the Government to sanction the construction of this road from Local Funds General, as was done in the case of the road from Kavikal to Lingadahalli.

X. Read Mudgere Taluk Amildar's report No. 68, dated 14th September 1905, forwarding the proposal of the Mudgere Taluk Board to extend the musafirkhana at Mudgere by building four rooms and stables.

As the extension of the building is very necessary, the Board resolved to address the Executive Engineer to prepare an estimate for the additions approved by the Board and have the work executed from the Provincial Funds.

XI. Read Mudgere Amildar's report No. 66, dated 14th September 1905, stating that the Chikanahalli-Chikmagalur road, if opened, will be found very useful to the public of the Mudgere Taluk.

This is considered very necessary, as it will open up the country between Chikmagalur direct to Saklespur and will be very useful to the planters and villagers of both the Chikmagalur and Mudgere Taluks. Executive Engineer will be asked to prepare an estimate for the same as per tracing furnished by him.

XII. The following subjects which will be represented at the ensuing Dasara Representative Assembly are placed for the opinion of the Board :—

(1) Shanbhog Mr. Kalasappaiya proposes that a midwife for Kalasa be appointed.

The Board is of opinion that there is no necessity for the appointment of a midwife at Kalasa.

(2) Messrs. Sabju Sab and Timmasetti propose that a foot-bridge across the Hemavati near Phalguni be constructed.

The Board is of opinion that this is necessary, but that the work be taken up when funds permit.

(3) Mr. Javali Ganesh Rao proposed that a native kitchen be constructed to the third class travellers' bungalow at Sampigekan on the Kotegehar-Kalasa road.

Resolved that as this bungalow is situated on the Provincial fund road, the work of constructing a native kitchen will have to be carried out from Provincial Funds as the District Board is not at present in a position to provide funds for this work, which is necessary.

XIII. Read letter dated 22nd May 1905, from Mr. Aird of Mallarasangudda, requesting that Government be pleased to grant a new dhoni for the Bhadra crossing at Ambinkodgi as the public are extensively using this crossing.

The Board requires information whether Mr. Aird recovers any fees from the people other than his own estate coolies, and the Amildar also should be asked to furnish information on the subject.

XIV. Read extract of report No. 326, dated the 20th August 1905, from the Amildar, Chikmagalur Taluk, stating that Bilekalhalli is a central place and that crops now on lands and those to be raised are being eaten up by cattle let loose, and therefore requesting that a cattle-pound may be established at Bilekalhalli as the villagers have promised to get up a pound.

The Board is of opinion that this is not necessary as there is a pound at Gungarhalli one mile from this village.

XV. Proposed by the President that the Local Fund Dispensary at Hariharpur may be closed, the number of patients attending the dispensary being only 9·7 per day.

Mr. M. Ganesh Rao represented that the dispensary at Hariharpur was the first of its kind established in the Koppa Taluk as it was then the head-quarters of the taluk. As there are dispensaries at Koppa, Sringeri, Sollebyle, which are only a few miles from this place, the Board is of opinion that it may be removed to Aldur or Balur after ascertaining the relative importance of these two places and necessity for its establishment.

XVI. Read Senior Surgeon's docket No. 1563, dated the 9th September 1905, requesting opinion as to the necessity of keeping the Sakrepatna Dispensary open as the work turned out is not worth the outlay.

The Board is of opinion that as the daily attendance on an average was about 29·9 patients in 1903-04, and 13·08 in 1904-05 and as it is an unhealthy place, the dispensary should not be closed.

XVII. Read Government Order No. 2351-3—L. B. (51-05)-4, dated 5th September 1905, recording the District Board's resolution of 24th September 1897, that the river Sitha in the Baggunji hobli is not of such importance as to require a foot-bridge across it and communicating this resolution to Mr. H. Devar Sastri, who mooted the question at the Dasara Representative Assembly of 1904.

Recorded.

XVIII. Read docket No. 249, dated 20th September 1905, from the Executive Engineer, forwarding a list of District Fund works which stood incomplete at the end of last year, requiring an appropriation of Rs. 864 for their completion during the current year.

Resolved that the lists of incomplete works of the Public Works and Revenue Departments be submitted to Government for sanction, funds being made available for the works in the supplemental budget.

XIX. Read petition dated 19th September 1905 of Gonibid hobli villagers, requesting that the remaining two miles of the Hanbal-Devarunda road be opened.

Resolved that the petition be referred to the Taluk Board for a detailed report as to the necessity of this road.

XX. Proposal of the President to revise the list of members of the "Finance Committee" as only one non-official member and one or two official members were present throughout the year to examine the monthly and periodical accounts.

Resolved that the Treasury Assistant Commissioner, Mr. Watson and Mr. C. Srinivasa Rao be appointed as members of the "Finance Committee."

XXI. Read the consolidated annual accounts of District Funds for the year 1904-05, as prepared by the Finance Committee with a report explaining the causes of difference under the various heads on the lines indicated in Government Order No. 3366-75—L. F. 105-03, dated 5th March 1904, with appendices.

Resolved that the report and accounts be submitted to Government.

XXII. *Resolved* that the next meeting of the District Board be held on Wednesday the 20th December 1905.
